O R D E R:-

In the references 2<sup>nd</sup> read above, the Engineer-in-Chief (Irrigation) has stated that, in the representation dt: 21-02-2017 M/s Basavashakti Mega Food Park Private Limited, has stated that, Government vide Letter.No.9203/Reforms/2016 dt: 12-09-2016 has agreed to provide required water as prevalent policy for their proposed Food park at Chappa (B) Village of Kangti (M), Medak District. In light of the above, in the Memo.No.M-11013/2/ 2017, dt: 03-01-2017 the Government of India, New Delhi have accorded in principle approval to the project. The firm has further represented that, the request of 10,25,000 Litres per day (13.21 Mcft/year) of water may be provided from Nallavagu and Kowlasnala Project. Based on the report of the Superintending Engineer, Nizamabad, the Engineer-in-Chief (I) has requested the Government to accord permission for allocation of 10,25,000 Litres of water per day (13.21 Mcft per annum) to M/s Basavashakti Mega Food Park Private Limited, intended to be located at Chappa (B) Village of Kangti (M), Medak District from Koulasnala Project and subject to the terms and conditions apart from usual terms and conditions.

2. Government after careful examination of the proposal of the Engineer-in-Chief (Irrigation), Hyderabad hereby accord permission for allocation of 10,25,000 Litres of water per day (13.21 Mcft per annum) to M/s Basavashakti Mega Food Park Private Limited, intended to be located at Chappa (B) Village of Kangti (M), Medak District from Koulasnala Project and subject to payment of water rate for consumptive use and as per Government orders vide G.Os 1<sup>st</sup> read above at the rate as fixed by Government from time to time and subject to the concurrence of District Collector, Medak District and the clearance of Pollution Control Board and subject to the following terms & Conditions apart from usual terms & conditions and also subject to obtaining other Department permissions as per Law/Rules :

1. The firm should make its own arrangements through pipeline for creating storage facilities to avoid drawls from the project during non-monsoon period.
2. The department is no way responsible of non-supply/non availability of water due to any reason in any particular water year.
3. The annual requirement of water of 13.21 Mcft is to be spared from surplus water of from Koulasnala Project.
4. The utilization should not exceed 13.21 Mcft per annum for which necessary measuring arrangements have to be made by the firm.

3. The Engineer-in-Chief (Irrigation), I&CAD Department, Hyderabad shall take necessary action accordingly.
